Dear Mr. Sinyangwe,

On June 5, 2019, the Riverside County Sheriff's Department received your CPRA request. Your request was forwarded to the Professional Standards Bureau for processing. Your request is based on the California Public Records Act ("CPRA" – Government Code §§ 6250 et seq.) seeking information related to use of force/complaints data.

Based on the need to search for and collect records from different facilities, the need to examine a voluminous amount of records, and the need for consultation among two or more components of the Department having substantial subject matter interest herein, with respect to the records requested, the ordinary determination response time limit of 10 days is hereby extended for an additional period of 14 days up until June 28, 2019. This will allow for disclosable public records responsive to your request to be located and made available for inspection and/or copying during normal business hours pursuant to the CPRA as outlined in Government Code §6253. Moreover, copies of the requested records that are subject to disclosure will be made available upon payment of the appropriate fees covering the costs of duplication as provided in Government Code §6253(b) and under law.

Thank you for your interest in Riverside County Sheriff's Department records. If we can be of further assistance, please do not hesitate to contact me at: (951) 955-2467
